AVIS IMPORTANT

Lisez attentivement ce qui suit avant de voyager

Vous avez souscrit un contrat d'assurance voyage **Assurance complémentaire**. Et maintenant? Nous tenons à ce que vous compreniez, dans votre intérêt, ce que votre police couvre, ce qui est exclu et ce qui est limité (c'est-à-dire qu'un montant maximum payable s'applique).

Veuillez prendre le temps de lire intégralement votre police avant de partir. Les termes en italique sont définis à la section « Définitions » de cette police.

- L'assurance voyage couvre les réclamations liées à des événements soudains et imprévus (c'est-à-dire des *accidents* ou des situations d'urgence). Elle ne couvre généralement pas les suivis ni les soins récurrents.
- Pour vous prévaloir de cette assurance, vous devez remplir toutes les conditions d'admissibilité.
- Cette assurance pourrait ne pas couvrir les réclamations liées à des *conditions médicales préexistantes*, que la condition ait été déclarée ou non au moment de la souscription.
- Cette assurance comporte des limitations et des exclusions (p. ex. : des *conditions médicales* qui ne sont pas *stables*, certaines circonstances entourant la grossesse et la naissance d'un enfant en cours de *voyage*, l'abus d'alcool et tout *sport, activité* ou *comportement à haut risque*).
- Vous devez contacter l'Assistance voyage Croix Bleue avant d'obtenir un *traitement*, sans quoi votre réclamation pourrait être refusée.
- Lors d'une réclamation, vos antécédents médicaux pourraient être vérifiés.
- Si vous avez répondu à un questionnaire médical et qu'une de vos réponses est inexacte ou incomplète, votre contrat sera annulable.

Il est de votre responsabilité de comprendre votre couverture. Si vous avez des questions, contactez-nous au numéro indiqué sur votre *attestation d'assurance*.

EMERGENCY MEDICAL CARE COVERAGE

The **Emergency Medical Care** coverage protects you from financial implications that may arise from medical services or care you receive during your *trip*.

Specific coverage provisions

To the “General provisions applicable to all coverages”, the following are added:

1. Supporting documents

To submit a claim, you will be required to provide us with one or more of the following documents:

- A duly completed claim form
- A medical certificate issued by the *physician* who treated you at your destination and which certifies that the services being claimed have been provided or that the *medical emergency* occurred
- Receipts and proof of payment for the medical care and services provided
- The itemized billing for the care and services provided

2. Settlement between insurer and service provider

When a claim is the subject of a direct agreement between us and the service provider you have dealt with, you must provide any original documents required for payment of this claim, including the travel insurance claim form. Otherwise, you become responsible for the amounts owing or the amounts that we are unable to recover.

Failure to provide the required proof will result in your claim being denied.

IN CASE OF MEDICAL EMERGENCY WHILE TRAVELLING

Your state of health permitting, when a *medical emergency* occurs during a *trip*, you must inform *Blue Cross Travel Assistance* **before** going to a *hospital* or to a clinic, otherwise, your claim may be denied. This gives us an opportunity to:

- Confirm your coverage
- Pre-approve a *treatment*

If you are unable to call the assistance service yourself because of your state of health, a relative or a member of the medical staff must do so on your behalf within **24 hours** following the start of the *medical emergency*. Therefore, we strongly recommend you keep your contract number and our telephone number easily accessible in the event you need to reach us due to an emergency.

The numbers to contact us can be found on your insurance certificate.

Beginning and end of coverage

Effective date	Termination date
Coverage begins on the day following the termination date of the coverage you hold with another insurance company or with another member of the Canadian Association of Blue Cross Plans.	The termination date corresponds to the <i>contract end date</i> indicated on your <i>insurance certificate</i>. If your return takes place before that date, the termination date of the coverage becomes the return date of the <i>trip</i>, whether the return is planned or premature (except for the "Trip break" - see page 15).

What is covered

Each *insured person* on the contract is covered up to a maximum of \$5,000,000 per *trip*.

This coverage pays for *customary and reasonable expenses* incurred as a result of a *medical emergency* arising from an *accident* or an *illness* that occurs during the course of your *trip*, during the *covered period*.

Eligible *treatments* are those declared *urgent* and necessary for the stabilization of your *medical condition*. The benefits provided under the contract are granted in addition to and not in replacement of government programs: what is reimbursable by the government is not reimbursed by the *insurer*.

TO EXTEND A TRIP

If you wish to extend your *trip* beyond the dates specified on your *insurance certificate*, you must extend your insurance coverage.

To remain valid, the contract must cover you from the day following the termination date of the coverage held with the other insurance company or with the other member of the Canadian Association of Blue Cross Plans until the day you return to your province of residence, except when the extension request is refused by the *insurer*.

An extension purchased from another insurer nullifies the **Top-up Insurance** for the entire duration of this *trip*, except when the extension request is refused by the *insurer*.

1. How to extend your insurance coverage

To extend your insurance coverage:

- You must contact the authorized agent who sold you the original contract before the end of the *covered period* of your contract
- You must still be eligible for insurance
- Your health must not have changed since your departure date
- You must pay the required additional premium

The numbers to contact us can be found on your *insurance certificate*.

2. Insurer approval

The sale of the extension is conditional on the approval of the *insurer*. Such approval could be refused if:

- You have a claim for the initial period of the *trip* in progress, whether it is already made or not, or
- The Canadian government issues a travel advisory recommending not to travel to the region or country that is the destination of your *trip*, or
- The Canadian or provincial government recommends that travellers return home

When an extension is refused by the *insurer*, coverage ends at the *contract end date* indicated on the *insurance certificate*.

NOTICE

When requesting an extension, you must notify us of any claim made or to come in connection with costs incurred since the start of your *trip* whether the event took place while you were covered by **Top-up Insurance** or by the insurance company covering the initial part of your *trip*. If you fail to do so, no claim for the *covered period* prior to your extension request will be accepted if it is submitted after the extension has been granted.

An extension may result in a change to the terms of the contract, including the exclusions due to *pre-existing medical conditions* and the rate for the entire duration of the *trip*.

3. Situations which lead to the automatic extension of the Emergency Medical Care coverage

The coverage is automatically extended, free of charge:

- Up to 24 hours when returning to your place of residence is postponed due to a carrier delay, a traffic accident, or mechanical failure of the private vehicle used to return from your *trip*.
- For the duration of your *hospitalization* and the 24-hour period following your discharge from the *hospital*.
- Up to 72 hours when the return to your place of residence is postponed due to a *medical emergency* that affects you. The *medical condition* must have started within 24 hours prior to the scheduled return date and must require emergency *treatments*.

TRIP BREAK

You can come back to your province of residence and then return to your destination without terminating your insurance contract. During this period, no insurance coverage is valid and no premium refund is granted for the days spent in your province of residence.

Before returning to the destination of your *trip*, you must ensure that you still meet the insurance eligibility criteria.

In addition, when you are leaving for your destination, a health condition that is not *stable* will be considered a *pre-existing medical condition* and will therefore be excluded for the remaining duration of your contract, in accordance with the exclusions due to *pre-existing medical conditions* of the **Emergency Medical Care** coverage.

TO MODIFY YOUR CONTRACT

To make a change to your contract, you must contact the authorized agent who sold you the original contract.

Any changes to the contract must be included in the new version of your *insurance certificate* to be valid and applicable.

When a modification requires that a new contract be issued, only the coverage offered by the new contract applies to the *trip*, including its conditions, limitations, and exclusions.

TO CANCEL YOUR CONTRACT

You can request the cancellation and full refund of your contract to the authorized agent who sold you the insurance:

- a) Before the *contract start date*, or
- b) After the *contract start date*, during the 10 days following the date of purchase, **unless**:
 - You have submitted or intend to submit a claim related to the contract, or
 - The contract is for a period of 10 days or less.

IF YOU RETURN EARLIER FROM YOUR TRIP

If you return from your *trip* before the *contract end date* and you have not submitted and do not intend to submit a claim under this contract, you can ask the authorized agent who sold you the insurance to terminate it and get a partial refund of your premium.

When authorized, reimbursement is for unused contract days, less an administrative fee of \$25.

- Upon submission of proof of your return date, unused days are counted from the day after this date.
- In the absence of proof of your return date, unused days are counted from the day after the date on which we receive your request.

The proof in question must clearly demonstrate that you were in your province of residence on the date indicated at the time of the request (for example, your transportation ticket for the return to your province of residence or a baggage tag issued by the carrier on which your name, the date, and the place of return appear).

No premium refund is granted if:

- You have submitted or intend to submit a claim related to the contract, or
- You are repatriated at our expense

TO SUBMIT A CLAIM

1. How to get a claim form

Our claim forms are available on our website or can be obtained by contacting our customer service.

You will find the contact information regarding claims on the last page of this insurance policy.

2. How to submit your claim

Our responsibility is engaged only if you contacted *Blue Cross Travel Assistance* within the prescribed time frame, as stipulated in the **Emergency Medical Care** coverage.

You must send us the completed claim form within 90 days of the event as well as all supporting documents and itemized invoices for services received or purchases made.

You will find the contact information regarding claims on the last page of this insurance policy.

3. Providing the necessary information

To process your claim, supporting documents may be required. A list of these documents can be found in the "Supporting documents" section of the **Emergency Medical Care** coverage.

A proof demonstrating the duration of the *trip* and a proof that you hold a valid insurance coverage with another insurance company or with another member of the Canadian Association of Blue Cross Plans for the initial part of your *trip* might also be required.

Finally, we reserve the right to require, at our expense, medical examinations related to a claim and, if the law authorizes us, to have an autopsy performed in the event of death.

4. Processing times for your claim

We have 30 business days following receipt of all the documents necessary for the assessment of your file to:

- Pay the benefit or advise you that payment has been made to the care or service provider
- Deny your claim in writing and provide the reasons justifying this decision

5. Claim settlement

Payment will be made through a cheque made out to the service provider, *contract owner*, or the assignee thereof, after receipt and evaluation of the relevant proof and necessary information relating thereto, in accordance with the established procedures. However, in all cases, we reserve the right to pay the service provider directly.

Any amount that we pay or that is paid on our behalf releases us, up to this amount, from any obligation.

If a claim is the subject of a direct agreement between us and the service provider you have dealt with, you must provide any original documents needed for the payment of this claim, including the travel insurance claim form. Failure to do so renders you responsible for the amounts owing or those we are unable to recover.

6. Appealing a claim denial decision

If your claim has been denied, you can dispute this denial or request a review of our decision.

Should you wish to do so, you must send us, within 12 months of the denial, a written request stating your point of view or provide new documents that could change our decision.

Upon receipt of your request for review:

- a) We will acknowledge receipt in writing.
- b) We will inform you of the avenues of recourse.
- c) We will communicate our decision to you, in writing or by telephone, within 4 months.

Your request and supporting documents must be sent to the following address:

GENERAL PROVISIONS APPLICABLE TO ALL COVERAGES

Accuracy of the information provided

Your contract is established based on the information that you have provided us. When you purchase it, your answers must be accurate and complete, otherwise your contract may be cancelled and/or the claim may be denied.

If you see an error on your *insurance certificate*, you must immediately notify the authorized agent who sold the contract to you.

Applicable law and jurisdiction

The contract is governed exclusively by the laws of the Canadian province where you normally reside.

Any dispute relating to the conclusion, interpretation, or execution of the contract will be submitted exclusively to the competent courts of the Canadian province where you normally reside, and the parties agree to abide by its jurisdiction.

Contract modification by the insurer

The conditions of the contract cannot be amended unless agreed upon in writing by the *contract owner* and the *insurer*.

Should we choose not to or fail to call for the execution or observance of a particular contract provision, this shall not be interpreted as a waiver of our right to call for the execution or observance of any provision.

Contract validity

Top-up Insurance is valid only when purchased and paid in full:

- Before the departure date if you extend a coverage you hold with another insurer, or
- Before the departure date or, before the termination date of a coverage you hold with a member of the Canadian Association of Blue Cross Plans.

Top-up Insurance must cover you from the day following the termination date of a similar coverage that you hold with another insurance company or with another member of the Canadian Association of Blue Cross Plans until the day you return to your province of residence. There must be no interruption in coverage between the two contracts.

If the contract requires an extension and the extension is refused by the *insurer*, the validity of the contract is maintained until the *contract end date* indicated on the *insurance certificate*.

Coordination of benefits

Benefits provided under the contract cover only the excess costs not covered by another individual or group insurance contract or by a law or public insurance plan.

If you are entitled to similar benefits under another individual or group insurance contract or with an air carrier, the benefits reimbursed will be coordinated so that the total amount paid does not exceed the amount that is the subject of the claim.

Currency and interest

All amounts indicated in the policy as well as the amounts payable are in Canadian dollars. No interest will be paid on the amounts payable under this contract.

False declaration, failure to disclose, fraud, or attempted fraud

In case of a claim, we verify the information provided, including your medical history.

If you or someone acting on your behalf misrepresents the facts, fails to disclose required information or attempts to commit fraud, whether it is upon enrollment, when submitting a claim, or at any other time during the life of the contract, the contract will be considered null and void.

Health care quality and access

We make every necessary effort to get you the best available medical and *hospital* care. Neither we nor *Blue Cross Travel Assistance* can be held responsible for the quality of the care administered or the possible unavailability thereof.

Insurance premium

Your premium is calculated based on:

- Your *age*
- Your *trip* destination
- The duration of your *trip*
- The answers you provided in your health declaration, if applicable
- The selected *deductible* amount, if applicable.

Repatriation of the insured person

No premium refund for early return will be issued when you are repatriated at the expense of the *insurer*.

In the absence of medical contraindications, we can call for your repatriation or your transfer to a different treatment facility.

If you refuse this repatriation or transfer, we may terminate your insurance, and no premium refund will be granted. The termination notice will be sufficient.

Return to province of residence at the request of the insurer

In the absence of medical contraindications, when the Canadian or provincial government recommends that travellers return home while you are already travelling, we may require your return to the province of residence within a time frame that we deem reasonable.

Right of subrogation

If you acquire a right to sue a third party under this contract, the *insurer* is subrogated to your rights to a maximum of the expenses reimbursed by the *insurer*.

You must always take the necessary measures to uphold your right to sue and must collaborate with the *insurer* in the exercise of its right of subrogation by, for example, providing it the required documents.

If you reach an agreement or accept payment from a third party liable for the insured event without our written consent, we will then be released from any obligation to you.
